To the Office of the Clerk of the United States Bankruptcy Court for the District of Delaware,

My name is Douglass Lorenzen and I am a claimant in the case listed above. I am responding to the objection that I am not due \$9,998.00 of USD funds that I had on deposit with FTX.

I submitted a request to withdraw \$9,998 from FTX on November 9th, 2022. (See attached Exhibit A which is the email confirmation of this request).

I believe this request was made approximately two days prior to FTX filing for bankruptcy, and as a result of this timing, even though my request was received by FTX, the USD was never actually sent to my account or cleared my bank account. You can confirm from internal banking records on your side that the money was never actually sent to me.

I ask that your objection for the amount of \$9,998.00 is removed and I am paid the USD that is due to me.

Thank you,  
Douglass Lorenzen
